Professional Experience

Architect, Dubai, United Arab Emirates

Nov 2022 – Present

Luxury Villa at Emirates Hills [[Planning and Design Assistant](#)]

- Contributed to the planning and design of a luxury villa in Emirates Hills by collaborating closely with the design team to explore creative architectural solutions. Engaged in conceptual discussions and visualizations, ensuring the design aligned with the client's vision while maintaining functionality and aesthetic appeal.

Luxury Villa at Al Twar II [[Planning Assistant](#)]

- Supported the architectural planning and development of a luxury villa, conducting site analyses and contributing to the development of design proposals. Assisted in creating detailed architectural documentation and models, facilitating effective communication with clients and contractors.

Commercial Space at Palm Jumeirah [[Main Lead in Planning and Designing](#)]

- Directed the architectural planning and design of a commercial space, integrating innovative design solutions that enhanced operational efficiency and user engagement. Managed the project lifecycle, ensuring adherence to timelines, budgets, and regulatory requirements.

Office at Al Sajaah, Hamper Paints [[Main Lead in Planning and Designing](#)]

- Oversaw the architectural design of an office environment, focusing on optimizing layouts for collaboration and productivity. Conducted feasibility studies and prepared detailed design presentations, ensuring alignment with client vision and industry standards.

Contracting Office at Al Quoz [[Main Lead in Planning and Designing](#)]

- Led the architectural design and planning phases for a contracting office, collaborating with clients and stakeholders to define project objectives. Developed design concepts, detailed architectural drawings, and specifications that ensured functionality, sustainability, and compliance with local building codes.

Villa Renovation at Meadows 5 [[Planning and Design Assistant](#)]

- Assisted in the architectural planning and design of a villa renovation, conducting site evaluations, and collaborating on design strategies. Focused on enhancing spatial flow and integrating modern design elements while preserving the villa's unique character and charm.

Interior Design for EMAAR View II [*Design Assistant*]

- Contributed to the architectural interior design of an apartment, emphasizing user experience and aesthetic appeal. Worked on space planning, material selection, and color coordination, ensuring designs met both aesthetic goals and functional needs.

Junior Architect, Dubai, United Arab Emirates

Feb 2021 – 2022

Planning Luxury Villas at Palm Jumeirah [*Planning Assistant*]

- Assisted in the architectural planning of luxury villas in a prestigious area, conducting comprehensive site analyses to inform design decisions. Collaborated with senior architects to develop detailed design proposals, incorporating high-end sustainable materials. Facilitated client meetings ensure the designs.

Intern, Bengaluru, India

July 2018 - 2019

Planned Penthouse [*Planning Assistant*]

- Assisted in the architectural planning of a high-end penthouse, focusing on space optimization and luxury finishes. Collaborated on design proposals and created detailed drawings.

Planned Landscape for Luxury Farmhouse (7 Acres) [*Main Lead for Planning*]

- Led the landscape design for a luxury farm house, developing comprehensive plans that emphasized aesthetics and functionality. Incorporate sustainable practices and native plant selections, ensuring a harmonious integration with the natural environment.

Designed 4BHK Interior for Apartment [*Main Lead in Designing*]

- Led the interior design of a 4BHK apartment, creating functional layouts and selecting materials that enhanced aesthetic appeal and comfort.

Detailing Interior Space for Residential Tower [*Design Assistant*]

- Assisted in detailing interior spaces for a residential tower, focusing on layouts, material specifications, and finishes to enhance functionality and aesthetics.
