## ABOUT ME

As a seasoned Civil Engineer, I am currently exploring opportunities to leverage my managerial and engineering skills within a reputable organization. My professional journey has been marked by a steadfast commitment to excellence, and I am eager to channel this motivation into a new career path where my technical acumen and leadership abilities will drive success. I am keen to join a team where my experience can contribute to impactful projects and innovative solutions.

## WORK EXPERIENCE

site engineer , ATC, SA - Riyadh  
Dec 2023 - Present

- Project : Dr. Suleiman Al Habib Hospital
- Managed comprehensive project scope at Dr. Suleiman Al Habib Hospital, encompassing time, cost, quality, risk, and communication.
  - Coordinated on-site operations to align with planned schedules, maintaining overall site accountability for achieving project objectives.
  - Facilitated necessary approvals from consultants to ensure adherence to project specifications and standards.

Civil Engineer, Golden Section, SA - Riyadh  
Apr 2022 - Dec 2023

- Spearheaded the management, development, creation, and maintenance of construction projects, ensuring timely and cost-effective delivery.
- Conducted comprehensive risk assessments, material evaluations, and on-site investigations to inform data-driven decision-making.
- Demonstrated strong leadership in coordinating a multidisciplinary team of professionals to achieve project objectives efficiently.

Field Training, Ahmad Q. Architecture Eng. Office, Amman-Jordan  
Jun 2020 - Sep 2020

- Demonstrated proficiency in engineering design, delivering solutions that address health, safety, welfare, and encompass global and socio-economic considerations.
- Proven leadership capabilities in complex problem-solving using robust engineering, scientific, and mathematical methodologies.
- Effective communication skills tailored to diverse audiences.
- Strong team-building expertise, fostering collaboration and efficiency within multi-disciplinary groups.
