ABDELKARIM HAMED

SOFTWARE AND SYSTEM ENGINEERING

As a software engineer with 4+ years of professional experience and a bachelor's degree in communication engineering, I have a strong foundation in front-end and back-end development. I have expertise in multiple frameworks and systems, including Maximo, Laravel, WordPress, and React JS, and I have a proven track record of delivering high-quality projects on time. I am passionate about staying current with the latest technologies and best practices in software engineering and consistently seek out opportunities to learn and grow in my field.
